AYESHA MALIK

Data Analyst Intern
Karachi, Pakistan | 0345-3035685

in ✉ ○

OBJECTIVE

I am a dedicated and curious undergraduate Data Science student seeking a Data Analytics Internship to gain hands-on experience in analyzing and visualizing data. I bring foundational skills in Excel, Power BI, SQL, and Python, and a strong interest in turning data into meaningful insights. Eager to grow professionally and contribute to real-world data projects with accuracy and a learning mindset.

SKILLS

- **Tools & Technologies**: SQL, Python, Excel, Power BI.
- **Core Skills**: Data Cleaning, Data Analysis, Visualization, Dashboard Creation.
- **Soft Skills**: Problem Solving, Time Management, Communication, Leadership.

PROJECTS

1. **Al-Barkat E-commerce Sales Dashboard – Power BI**

   Built an interactive dashboard to track sales, profit, and product performance using slicers and KPIs for better insights.

2. **Pakistan Sales Analysis – Exploratory Data Analysis**

   Analyzed retail sales data using Pandas, Matplotlib, and Seaborn to identify trends, top cities, and product patterns.

EDUCATION

BS in Data Science
Sindh Madressatul Islam University (SMIU) | Karachi, Pakistan | Feb 2024 – Present

LEADERSHIP & ACTIVITIES

Volunteer – University Events

Sindh Madressatul Islam University | 2024 – Present

Helped organize and manage university workshops and student events.

SQL Session Instructor – Online Event

- Delivered online sessions on SQL fundamentals and intermediate level with hands-on practice.

- Covered topics such as database basics, joins, subqueries, query execution, and real-world applications.

Certifications

Introduction to Excel – Certificate, Data Camp
Generative AI – Certificate, LinkedIn Learning.
Dataverse II Workshop – Certificate of Participation, FAST University.
Data Quest II Hackathon – Participation Certificate, FAST University.
